Cabinet Making for Beginners Handbook Stephen Fleming,2020-09-29 A kitchen without a cabinet is like a body without a soul This is what a wise cabinetmaker uttered when I asked what cabinet making meant to him I have been practicing all the aspects of woodworking like Joinery Woodturning and Furniture making along with Cabinet Making and I must say this art provides the maximum chance of impacting the overall look of your kitchen or bathroom and eventually your home Cabinets for me are an extension of your personality and a great way to express yourself When I first started woodcraft I looked desperately for a go to guide about the specific processes and exact tools required The content I found online was total information overload and wasn t presented sequentially The books were either focused on just a few processes or assumed that I already had the necessary information Many of the books were also very dated There are two ways of learning learning from SMEs Subject Matter Experts with years of experience and the other is to acquire from people who are just a few steps ahead of you in their journey I fall into the latter group I ve spent five years on this hobby and am still learning from the experts I still remember my initial doubts and the first tips that helped me This book is for those who are still running their first lap 0 3 years in wood crafting and want to gain a holistic idea of the necessary processes and tools I ve included photographs of

realistic beginner projects and I'll explain the processes and standard operating procedures associated with them. Below are the topics you would find inside: Introduction to Cabinet Making, Cabinet Types, Doors and Drawers, Tools used and best practices, Process and Techniques, 10 Beginner Projects, Recap and Safety Tips, Conclusion, and Free Online Resources. In the last chapter, I've provided a link to free online resources for planning your next projects. Cheers, and let's start the exciting journey.
