### Plot Summary

Littlest One is a dream-giver in training. The young entity's playful, inquisitive nature exasperates her teacher, Fastidious, so another dream-giver named Thin Elderly offers to train her instead. By touching objects that belong to humans, dream-givers gather fragments of memories which they use to create dreams. This is a delicate process, and the act of bestowing a dream on a human or their pet is intensely difficult. If a dream-giver becomes too deeply entangled in the memories they gather, they can turn into menacing entities known as Sinsteeds which give people nightmares.

The house to which Thin Elderly and Littlest One are assigned is the home of an elderly woman who is all alone except for her dog, Toby. Thin Elderly teaches his student how to give people dreams. In the first dream that Littlest One ever bestows, the old woman relives her memory of saving a young soldier back when she was a girl. The woman awakes with a feeling of happiness the next morning. She decides to take in an eight-year-old boy named John.
