Lifespan Development in Context Tara L. Kuther, 2018-01-02 Award winning author Tara L Kuther presents Lifespan Development in Context a topically organized version of her bestselling Lifespan Development text that provides a panoramic view of the many influences that shape human development Kuther s student friendly narrative illustrates how the places sociocultural environments and ways in which we are raised influence who we become and how we grow and change throughout our lives Three core themes resonate throughout each chapter the centrality of context the importance of research and the value of applied developmental science Foundational theories and classic studies are combined with contemporary research and culturally diverse perspectives for a modern introduction to the field that is both comprehensive and concise Visual overviews case studies and critical thinking questions encourage self reflection and class discussion ensuring students have the tools they need to apply course concepts to their lives and future careers

State of Primary Education in Bhutan Gembo Tshering, 2025-04-30 Discover how Bhutan s unique cultural

values and aspirations shape its education system in this edited volume This comprehensive book explores the multifaceted nature of Bhutan s primary education examining critical areas such as purpose and values curriculum design assessment strategies and the roles of diversity and inclusion It addresses vital topics like teacher development parental involvement and the impact of governance and funding on educational quality The research reveals that Bhutan s educational framework uniquely aligns with its cultural ethos emphasizing holistic development over conventional success metrics The chapters thoroughly analyze the current landscape of primary education in Bhutan and outline contributions from various stakeholders as well as serving as a roadmap for a future where research and data driven innovations drive educational improvements Revealing the intricate relationship between context and learning the volume offers a fresh perspective on how Bhutan navigates its primary education landscape and is a must read for anyone interested in innovative approaches to education Readers will learn how Bhutan strives to foster well rounded individuals prepared to thrive in an increasingly complex world It provides invaluable guidance for educators policymakers and stakeholders seeking to enhance primary education

Young People on the Margins Loic Menzies, Sam Baars, 2021-03-30 Our society leaves too many young people behind More often than not these are the most vulnerable young people and it is through no fault of their own Building a fair society and an equitable education system rests on bringing in and supporting them By drawing together more than a decade of studies by the UK s Centre for Education and Youth this book provides a new way of understanding the many ways young people in England are pushed to the margins of the education system and in turn society Each contributor shares the personal stories of the young people they have encountered over the course of their fieldwork and practice combining this with accessible syntheses of previous studies alongside extensive analysis of national datasets and key publications By unpicking the many overlapping factors that contribute to different groups vulnerability the book demonstrates the need to understand each young person s life story and to respond quickly and collaboratively to the challenges they face The chapters conclude with action points highlighting the steps individuals institutions and policy makers can take to bring young people in from the margins Young People on the Margins showcases first hand examples of where these young people s needs are being addressed and trends bucked drawing out what can and must be learned for teachers leaders youth workers and policy makers

Child Development Laura E. Levine, Joyce Munsch, 2016-12-01 In the Third Edition of the topically organized Child Development An Active Learning Approach authors Laura E Levine and Joyce A Munsch invite students to take an active journey toward understanding the latest findings from the field of child development Using robust pedagogical tools built into the chapter narratives students are challenged to confront myths and misconceptions participate in real world activities with children and independently and utilize video resources and research tools to pursue knowledge and develop critical thinking skills on their own This new edition covers the latest findings on developmental neuroscience positive youth development the role of fathers and more with topics of diversity and culture integrated throughout More than a textbook

this one of a kind resource will continue to serve students as they go on to graduate studies to work with children and adolescents professionally and to care for children of their own
