The top scoring teams will advance to Round Two and will be given a potential problem related to HOSEA, a health issue or the health community. Teams will have 30 minutes to analyze the problem. Selected resource materials related to the problem will be provided. At the end of the preparation time, teams will have eight (8) minutes to present their solution to a panel of judges.

  3. Teams must be composed of three (3) or four (4) members.
