

Chargemaster for hospital

The journey of items billable to a patient

Different hospital departments use the chargemaster to build a summary of charges based on services provided (procedures, images, prescriptions, etc.).

Based on charges listed in chargemaster, claim is submitted to payer (insurance provider) for the service.

Insurance provider accepts or denies claim.

Hospital is reimbursed based on predetermined negotiated amount with payer that is often less than original chargemaster price.

Hospital Chargemaster Guide

St Anthony, St. Anthony Publishing
