## How To Make My Smaller:

Small Handprints on My Classroom Door; Small Handprints on My Heart Robin Johns, Rocky Wallace, 2015-07-08 This book simply dissects the interesting inspiring and sometimes lonely world of the teacher of early childhood As the continued advancements in education across the board hint at a brighter future for our children and our society we are troubled that some of the same practices that have prevented earlier generations of students and teachers from prospering in the classroom are still commonplace Johns and Wallace endeavor to touch the hearts of teachers administrators and parents who know deep down there is still such a long way to go and who understand that the tasks assigned to teachers are sometimes overwhelming Great classrooms have teachers who care deeply for the children entrusted to their care while great schools continually forge ahead in providing the necessary human resources tools training and support in the affective domain that teachers so desperately need in order to have meaningful fulfilling careers
