Colbert's America Sophia A. McClennen,2011-11-30 Is the comedy of Stephen Colbert simply fun or is it powerful political satire Does it entertain viewers or does it empower them Or does it teach us that in today s media saturated world those binaries make no sense Colbert s America claims that Colbert s satire fosters critical thinking about social issues encourages active citizenship and entertains the viewer all at the same time The first book to cover the various themes and features of Colbert s America offers readers insight into the powerful ways that Colbert s comedy challenges the cult of ignorance that has threatened meaningful public debate and social dialogue since 9 11 **Official Journal** Racine (Wis.). Common Council,1886 **Report of Cases Argued and Determined in the Supreme Court of Alabama** Alabama. Supreme Court,1882 *The Essential Cult TV Reader* David Lavery,2014-07-11 The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged active fan bases by employing an imaginative approach to programming Once defined by limited viewership cult TV has developed its own identity with some shows gaining large mainstream audiences By exploring the defining characteristics of cult TV The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television The essays explore a wide range of cult programs from early shows such as Star Trek The Avengers Dark Shadows and The Twilight Zone to popular contemporary shows such as Lost Dexter and 24 addressing the cultural context that allowed the development of the phenomenon The contributors investigate the obligations of cult series to their fans the relationship of camp and cult the effects of DVD releases and the Internet and the globalization of cult TV The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future **Media Ethics** Clifford G. Christians,Mark Fackler,Kathy Brittain Richardson,Peggy Kreshel,2016-10-04 Media Ethics Cases and Moral Reasoning challenges readers to think analytically about ethical situations in mass communication through original case studies and commentaries about real life media experiences This text provides a comprehensive introduction to the theoretical principles of ethical philosophies facilitating ethical awareness It introduces the Potter Box with its four dimensions of moral analysis to provide a framework for exploring the steps in moral reasoning and analyzing the cases Focusing on a wide spectrum of ethical issues faced by media practitioners the cases in this Tenth Edition include the most recent issues in journalism broadcasting advertising public relations and entertainment Visit the companion website at www.mediaethicsbook.com **Report of the Superintendent ... Special Report Geological Survey of Alabama,1926 **Trumping the Media** Michael Mario Albrecht,2022-08-11 The ascendancy of Donald J Trump to the office of president was not a fluke Changes in the media environment and changes in the political landscape converged and provided fertile ground for a demagogic populist to exploit existing structures for his personal and political gains A right wing ecosystem had developed that included cable television talk radio social media and imageboards The political rise of Trump occurred alongside a mainstreaming of far right politics and a skepticism towards long established institutions Trump was able to exploit the shifts in politics and the media environment for his political gain He deployed a post truth strategy that challenged established media and political institutions and their claims to be arbiters of truth and protectors of democracy This book explores the shifts in the media environment that made the political career of Donald Trump possible The author shows the ways that Trump was able to inhabit the new media and political landscape and take advantage of journalistic norms and practices that were susceptible to exploitation by a demagogue with no allegiance to the truth and no reverence towards the foundations of liberal democracy Understanding the ways in which Trump was able to emerge as a powerful political force is essential to those invested in challenging the momentum of the alt right and forwarding the project of democracy
