

Welcome

The Spectrum set-top boxes receive and deliver digital signals, and deliver high-definition programming in exceptional picture and audio quality. Use the simple user interface to access favorite channels and parental control services. Contact your service provider for information about these and other available services. Use the instructions in this guide to install the gateway and to access your program services.

Safety First

Before using this gateway read the **IMPORTANT SAFETY INSTRUCTIONS** included with your set-top.

Avoid Screen Burn-In

Images such as letterbox bars or side bars, bright closed-captioning backgrounds, station logos, or any other stationary images may cause the TV screen to age unevenly and cause damage to your TV. Refer to the user guide that came with your TV for more information about screen burn-in.

Automatic Software Updates

A message appears on the TV screen when the set-top is receiving software updates.

Performance Tips

If the set-top does not perform as expected, the following tips may help.

No picture

- Verify that the power to your TV is turned on.
- If the set-top is plugged into a wall switch, verify the switch is in the ON position. (Avoid plugging into an outlet that is controlled by a wall switch.)
- Verify that all cables are properly connected.
- The current channel may not be available in your service package. Try selecting another channel to see if a picture appears.

No color

- Verify the current TV program is broadcast in color.
- Adjust the TV color controls.

No sound

- If your setup includes a stereo, verify that you have properly connected it to the gateway.
- Verify the volume is turned up.
- Verify the mute function is not on.

Record Product Serial Number

If the set-top requires troubleshooting in the future, your service provider may ask for the set-top serial numbers. The set-top serial number label is on the back panel; the serial number is labeled with "STB SN:" and is the upper bar code. Use this space to record the set-top serial number:
