

PSY 1100 Introduction to Psychology at Columbus State Community College Final Exam Study Guide for Students

The PSY 1100 Final Exam is cumulative which means it covers all chapters (1-14). It has 100 multiple-choice questions. It is a closed-book and closed-note exam (i.e., you cannot use any materials during the exam). This study guide is meant to help you know what to study for the final exam and create a study plan. We encourage you to complete this study guide using your course materials, class notes, and SmartBook. Then, you can use your completed study guide to "quiz" yourself (or even better have a friend or family member quiz you). We encourage you to learn and understand (NOT memorize) the definitions of the concepts AND be able to apply these concepts to real-life examples and scenarios.
