A Verbal Odyssey. Learning Maltese as a foreign adult

Jacqueline Żammit,2021-05-10 Document from the year 2021 in the subject Pedagogy Adult Education University of Malta language English abstract Learning a foreign language is complex and unpredictable Furthermore speaking different languages is becoming increasingly important in today s globalized world However it requires several strategies to gain the best possible result Relevant challenges are problems related to memory personality culture shock communicating with native speakers and boring and traditional teaching methods What is the most effective way of learning a foreign language

What is happening in our mind when we are learning a foreign language and how can adult learners overcome their personal challenges Dr Jacqueline Ammit explores the use of Maltese verbs by thirty five non native learners from all walks of life and different parts of the world to better understand and improve the language learning process To provide practical advice to foreign language learners the author explores the acquisition of Maltese which could easily be applied to any other foreign language acquisition The book adopts chaos complexity theory C CT as a conceptual framework in a unique way and interprets the process of learning from both cognitive and sociocultural perspectives It addresses any foreign language learner as well as teachers lecturers and school administrators For methodical reasons the book is also interesting for linguistic researchers Furthermore education policymakers will benefit from the findings especially when it comes to understanding students and adult learners learning curves and language learning challenges This academic textbook is truly remarkable as each chapter starts with a funny comic strip and a quotation Join thirty five adult non native speakers as they overcome challenges and develop strategies to learn Maltese as a foreign language Happy Reading
