Grammar For English Language Teachers:

Grammar for English Language Teachers Martin Parrott, 2010-01-14 An invaluable resource helping teachers at all levels of experience to develop their understanding of English grammar Grammar for English Language Teachers is designed to help practising and trainee teachers to develop their knowledge of English grammar systems It encourages teachers to appreciate factors that affect grammatical choices and evaluates the rules of thumb presented to learners in course materials Consolidation exercises provide an opportunity for teachers to test these rules against real language use and to evaluate classroom and reference materials

The Teacher's Grammar of English with Answers Ron Cowan, 2008-05-26 The Teacher's grammar of English enables English language teachers and teachers in training to fully understand and effectively teach English grammar With comprehensive presentation of form meaning and usage along with practical exercises and advice on teaching difficult structures it is both a complete grammar course and an essential reference text Back cover

Grammar for English Language Teachers Martin Parrott, 2000-03-30 Grammar for English Language Teachers helps teachers to develop their overall knowledge and understanding of English grammar and provides a quick source of reference in planning lessons and clarifying learners problems Each chapter includes a Typical difficulties section which explores learners problems and mistakes The book encourages teachers to appreciate the range of factors which affect grammatical choices but also introduces the rules of thumb presented to learners in course materials The Consolidation exercises provide an opportunity for teachers to test the rules against real language use and to evaluate classroom and reference materials The book is organised thematically but also provides a short cut index at the beginning for ease of reference There is also a Cambridge ELT website with further chapter by chapter extension exercises to accompany the book **A Concise**

Grammar for English Language Teachers Tony Penston, 2024 *Explaining English Grammar* George Yule, 1998-11-12 This book is intended for teachers of English **Grammar for Teachers** Andrea DeCapua, 2016-07-28 Updated and revised

with more examples and expanded discussions this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English The book avoids jargon and presents essential grammatical structures clearly and concisely Dr DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint discussing differences between formal and informal language and spoken and written English The text draws examples from a wide variety of authentic materials to illustrate grammatical concepts The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning Users are encouraged to tap into their own often subconscious knowledge of grammar to consciously apply their knowledge to their own varied teaching settings The text also emphasizes the importance of understanding grammar from the perspective of English language learners an approach that allows teachers to better appreciate the difficulties these learners face Specific areas of difficulties for learners of English are highlighted throughout

Functional English Grammar Graham Lock,1995-11-24 This text explores ways in which English grammar enables speakers and writers to represent the world to interact with one another and to create coherent messages The hardback edition provides second language teachers with a functional description of English grammar in which grammar is viewed not as a set of rules but as a communicative resource It explores ways in which English grammar enables speakers and writers to represent their experience of the world to interact with one another and to create coherent messages Each chapter includes a focus on areas of difficulty for second language learners numerous authentic examples tasks that allow the reader to apply the concepts introduced and discussion questions A final chapter covers issues in the learning and teaching of grammar and reviews methodological options for the second or foreign language classroom Assuming no previous study of linguistics or English grammar *Functional English Grammar* is suitable for self study or as a textbook in teacher education programs

English Language Grammar Reference & Teacher's Guide (Second Edition) C Neil Linton,2014-05-21 This English Language Grammar Reference the importance of cultural awareness and sensitivity Chapter Five gives a brief comprehensive overview to the main teaching perspectives or models available There are many approaches and methods used some are more mainstream than others Chapter Six provides relevant practical advice in regard to ESL lesson design and its delivery This includes but is not limited to the individual components generally found in an ESL lesson plan the environment in which delivery takes place in most cases the classroom the physical resources and technologies that can be considered and the interpersonal skills needed to successfully build rapport and to be credible and respected as a professional This book has been designed and intended as a resource to be used while creating lessons but also used during actual real time teaching As students ask grammatical or composition questions the English Language Grammar Reference Teacher s Guide Second Edition can be quickly accessed explanations given and examples modified from the book and then written on a writing surface

Keys to Teaching Grammar to English Language Learners Keith S. Folse,2009 *Keys to Teaching Grammar to English Language Learners A Practical Handbook* is not intended to be an exhaustive reference book about ELL grammar Written for classroom teachers K 12 ESL EFL this book teaches the most common ELL grammar points in an accessible way through real ELL errors with suggested teaching techniques Relevant grammar terminology is explained where practical The four objectives of the book are to help teachers 1 identify common ELL grammar points and understand the details associated with each one 2 improve their ability to answer any grammar question on the spot when on the hot seat 3 anticipate common ELL errors by grammar point by first language and by proficiency level and 4 develop more effective grammar language learning lessons The presentation of each of the 15 keys grammar points features information on typical ELL errors an accessible grammar explanation including examples of mistakes a native language interference chart and ideas for teaching the grammar point The Workbook for *Keys to Teaching Grammar to English Language Learners* provides extra practice in the grammar points studied in the handbook
