High Report School Timss:

The Great School Debate Thomas L. Good, Jennifer S. Braden, 2014-04-08 This book examines reform in American education over the past fifty years and against this backdrop presents a compelling analysis of why contemporary voucher plans and charter schools have yet to fulfill the expectations of their advocates It is the only book to date to attempt a comprehensive synthesis and analysis of the emerging research base on vouchers and charter schools Suitable for courses in school policy school reform school leadership or educational issues it will also be of interest to anyone parents teachers policymakers directly involved with the charter school movement Key features of this timely new book include the following A Historical Perspective The early chapters look at American educational reform over the past fifty years and analyze why these efforts have fallen short of their goals Student Achievement Chapter 3 provides an insightful assessment of American students school achievement from 1970 to the present and in the process counters the widely held myth that overall student achievement has deteriorated Voucher Plans and Charter Schools Chapter 4 looks specifically at choice and vouchers in American education while chapters 5 7 provide a comprehensive and balanced examination of the charter school movement Policy Recommendations The book concludes with explicit policy suggestions that attempt to balance the educational needs of children and youth against the rights of schools to experiment Suggestions for developing broader coalitions to support public education particularly in the inner cities are also offered

OECD Reviews of School Resources: Kazakhstan 2015 OECD, The World Bank, 2015-10-22 The effective use of school resources is a policy priority across OECD countries The OECD Reviews of School Resources explore how resources can be governed distributed utilised and managed to improve the quality equity and efficiency of school education

What Mathematics Do Students Know and How is that Knowledge Changing? Evidence from the National Assessment of Educational Progress Peter Kloosterman, Doris Mohr, Crystal Walcott, 2015-09-14 The volume provides comprehensive information on students math abilities at grades 4 8 and 12 based on NAEP data from 2005 2013 It highlights challenges in analyzing NAEP data themes in math learning improvement and the impact of wording changes on performance It also discusses limitations of NAEP in measuring Common Core standards
