

An aerial photograph showing a significant flood event. A wide, muddy brown river flows through the center of the image. To the right of the river, a large area of green agricultural fields is partially submerged in floodwater. In the center, a cluster of buildings, including a large white structure with a curved roof, is surrounded by floodwater. A road or path runs parallel to the river on the left side. The background shows more green fields and some distant structures under a clear sky.
