about a mother and a father with eleven children living in a two bedroom house who survived on prayer fully trusting and  
dependent on God Their prayer would cause the house to vibrate and the chains to break There was not a doubt that Jesus  
was in the house They called the name of Jesus all through the day evening night and early morning Jesus my provider my  
healer my protector please guide and lead my children Cover them Their prayer was like no other Their relationship with God  
was first God's words were embedded in their hearts as they knelt before God giving Him thanks for the food on our table the  
clothes on our backs and the roof over our heads A two bedroom house how would that work with eleven kids Yet love and  
happiness resided The praying never ceased as their voices got stronger and the prayers got even longer Several years later  
God called my father home and two voices became one in my mother a woman who never stopped praying a woman who had  
faith that was unbreakable a woman who stood like a tree by the water God was her everything Confident fearless she talked  
and walked with her God Instant was what she called Him an on time God as she interlocked her hands with His Perhaps  
most of the people who knew us I am sure wondered Eleven children how she is going to take care of them It's too many  
Those boys won't be nothing But God never left her side God kept His promise and He answered her prayers She raised  
eleven children What prayer won't do Prayer is the door opener and the changer Prayer is a tool builder a faith enhancer We  
all graduated from high school all living today and exceeding in life Her walk with God continued until God called her home
