

A Positive Life Changing Experience

A positive life changing Experience I had my life set. At the age of 15 I had no fears, no fears about life. My day-to-day routine comprised of going to school, coming home, resting for a while, waking up, and going out with friends, coming back home, sleeping, and then repeating the same thing the next day. I didn't care about my schoolwork or even classwork for that matter. Why? My dad, he was the shelter to my 'whatever-who-cares' way to life.

He provided me with clothing, wristwatches and accessories more luxurious than many of my peers' whole attire. An extremely relaxed and stylish ride to go to school with- I had everything. To my 15 year old mind it was all that mattered, and my 15 year old brain knew that even if it never happened, the person whose it was, could enjoy a lavish fun life anyways. But then, life happened as I woke from the dream. My dad's industry suffered a loss to such a massive extent that I dropped from being a leader to well- being a regular person.

At that time I was angry, furious. I had little understanding of what was really going on, all I knew was that I wasn't going to have the things that I was used to being able to live the life that once did. This whole condition took me for a major hit in my young adult life, in my mind I was going to be just like everybody else, which was not what I'd off must say this could have been the best thing that happened to me, when I look back on my life, because I had become a materialistic jerk.

Now that I am much more mature I grasped that, that's not a good way to go through life because surprising events happen, without anyone's control and I had been whipped into a habit of needing these things to make me feel whole as a person, which were not needed, but my dad spoiled me to no extreme. I have learned to appreciate the things I have in life and not over do it because a name doesn't make you who you are.

Life Changing Experience Paper:

Prison - the Key to Stay Free L. Nelson McAlexander, 2011-12-05 Chris was there and witnessed my transformation into a much more dynamic person than I had ever been in my entire life After experiencing this transformation seeing me in such a good mood all the time and noticing how focused I was Chris asked me if he could read my fathers book I told him I didnt think hed be very interested in it and that there was more to it than just reading the book I explained a little bit about it and was greatly surprised that he still wanted to read it Truthfully I didnt take him seriously at all I figured he would skim through the book and more than likely hed hand it back to me the same day and tell me he was good on that After just one month Chris was not Chris anymore at least not the same person I had come to know for the past four years He had completely transformed into a very new and improved Chris right before my very eyes much like I must have done as he watched my transformation He was much more mature in touch with his spirituality and most noticeably he was thinking and acting instead of feeling and reacting That was about seven months ago and to see Chris get angry now is a very rare occurrence Now even when something happens that rubs him the wrong way its no big deal because hes able to react calmly and think things through Chris sees the bigger picture now and realizes what is really important isnt behind these prison walls He now realizes that whats most important is whats happening out there with our families and loved ones in the free world Now we both understand and immensely appreciate the fact that The Key to Stay Free empowers us and gives our lives more meaning than weve ever had before Now we are confident that we can create a life worth living once we are released from prison Now we without doubt know we will no longer be sacrificial pawns and that we can and will be kings in the game of life
