

Short Essay on Life: Life is Beautiful

Life has been bestowed upon us by the almighty and we all must value it. We should be thankful for all that we have and try to improve ourselves each day to build a better life. Technically, life is associated with feelings, growth and evolution. Like the plants have life because they grow; humans and animals have life as they feel sadness, happiness and they too grow.

The journey of life may not always be smooth but we must keep going and stay positive all the times. Life is the most precious asset on this planet and must be protected irrespective of its form and appearance. Every species, not only humans, have a fundamental right to live their life, in whatever way they desire. Life is a gift of God to humanity and any attempt to disrupt or damage it will have undesirable consequences.

Short Essay on Life: Life is Beautiful but Not a Bed of Roses – Essay 1 (200 words)

There is a lot of stress all around us these days. Most people complain about problems at office, issues in relationships and the growing competition in various fields. People are so engrossed in dealing with these issues that they don't see the real beauty of life. There is so much more to life than these things. In fact, if we look at life closely, we will realize how beautiful it is. God has given us an abundance of everything. This is evident when we look at the nature. The trees, plants, rivers and sunlight – everything is in abundance and so is the energy that resides within us. This is the beauty of life.

However, this is not to say that life is a bed of roses. It is not! The problems and concerns of people are genuine. The rich, the poor, the educated, the uneducated, the beautiful and the not so beautiful – everyone has his/her own set of problems. Life is not easy for anyone. However, we need to understand that this is how life is. If everything came easy we would not really value it. Life is beautiful in its own way and we should look for reasons to enjoy it and embrace its beauty amid the issues we are dealing with.
