

4 Point Essay Scoring Guide

Score	Criteria	Performance Range	
4	Essays earning a 4 effectively demonstrate understanding of the task in the prompt. The writer's interpretation or argument is convincing and clearly supported a specific position. The writer's interpretation or argument is convincing and has effective support from the source material, observations, or experiences. The writing style demonstrates an ability to control a wide range of the elements of effective writing, but may not be flawless.	Exceeds Expectations	Successful
3	Essays earning a 3 adequately take a position that demonstrates understanding of the task in the prompt. The writer's interpretation or argument is generally convincing and supported a position, but lacks sophistication or is less coherent than essays receiving a higher score. Though the language may contain lapses in diction or syntax, overall the prose is clear and understandable, demonstrating an ability to control the elements of effective writing.	Meets Expectations	
2	Essays earning a 2 inadequately demonstrate understanding of the task in the prompt. They attempt to present an interpretation or argument and support their position, but may misunderstand, misrepresent, or oversimplify either their own interpretation or argument along with the support they include. The link between the interpretation or argument and the support is weak. The writing style of 2 essays may suggest immature control of writing.	Approaching Expectations	Unsuccessful
1	Essays earning a 1 do not demonstrate success in understanding the task in the prompt. They may merely allude to knowledge gained from reading the sources rather than citing the sources themselves. These essays may misread the sources, fail to present an argument, or substitute a simple task by merely responding to the question superficially or by summarizing the sources. The writing style of these essays often demonstrates consistent weaknesses in writing, such as a lack of development or organization, grammatical problems, or lack of control.	Not Meeting Expectations	
0	Essays earning a 0 merely repeat the prompt or are completely off topic.	Off Topic

Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Essay Scoring Guide : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Essay Scoring Guide : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
