Blogging Chris Demmer,2017-02-22 Your First Blog A Beginner s Guide How To Set It Up Write Your

First Posts it is shared with the people having different cultures life styles religions and outlines The world has witnessed the people from diverse backgrounds interacting through blogs Thus a blog is a communication channel through which you can access the desired audience anywhere in the world Here Is A Preview Of What You Will Learn Types Of Blog Steps Involved In Setting Up A Blog Plugins Writing The First Post On Your Blog Much Much More Get Your Copy Today **The Ultimate Beginner's Guide to Content Writing** John Ajayi,2020-08-12 This book is all you need to write online content that will convert This is an interview with the author of The Ultimate Beginner s Guide to Content Writing Q What makes your book different from others in this niche A Most of the books on content writing focus on SEO SEO is great You need to apply the rules to rank and feature on the first page However how good is a number one position when most of your traffic is bouncing off your pages Three elements must feature in a successfully written post First you must grab attention Second you must stir interest and curiosity Third you must sustain curiosity When a link is broken readers skim your content they hardly click on your affiliate offers and consequently they just leave to other websites So with all the SEO work you re still not converting your traffic This particular aspect that many writers shy away from is what this book is about How to create written content that converts How do you write in a way that will make me want to read every line Q Can you comment on the structure of the book A There are nine chapters in the book The first chapter is where the reader gets the reality check about writing for the internet It contains thirteen common mistakes new content writers make Chapter two talks about writing for the internet It poses the six fundamental questions every writer must answer It is the prewriting stage These questions are meant to guide the writer in coming up with amazing written content Chapter three focuses on how to write a blog post It contains simple steps to creating a blog post Each step is discussed extensively Chapters four and five focus on two important aspects Chapter four is on headlines It is possible to rank as number one for a search term and still lose traffic to those in numbers three and four Eventually you will lose that ranking This is because the headline fails to grab attention Chapter five deals with introductions First impressions also matter on the internet You can either gain traffic or lose it with your introduction It is where you ignite curiosity and at the same time state the value proposition what you will talk about subsequently Chapter six deals with long form content It is okay to write 500 word blog posts However research included in the book has revealed that long form content converts more and attracts more shares This chapter helps the reader to construct long form content that will convert Chapter seven focuses on proofreading How do you ensure that your work is error free Most bloggers don t have professional proofreaders to go through their work This chapter teaches you how to proofread your work yourself It also suggests free online tools that can aid proofreading Chapter eight deals with writing for SEO This is a very fundamental aspect However SEO is not as difficult as many make it On page SEO is mostly what we are going to be dealing with This chapter teaches how to write SEO optimized articles that can rank number one on Google Chapter nine is the final chapter It focuses on two aspects copywriting and email marketing The first aspect provides four important steps to writing copies that

convert This aspect also applies to email copies It is useful for landing pages web copies and of course email copies A rare aspect that this book also covers is how to land in the Primary folder of the Gmail inbox Q What set of people will this book benefit the most A This book will benefit everybody that writes for the internet As long as you create written content this book is for you It is the beginner s manual to creating content that converts There is no niche restriction on this Whether you write in the medical niche or woodworking niche this book is highly useful Thank you for your time

How To Blog For Profit Manuel Rise,2019-11-08 Do you want to start a blog business working wherever you want and making a lot of money Perfect you re in the right place if you want to set everything up properly in your blog keep reading IMPORTANT this book was not written to promote a live event where I will give you more information I poured all my knowledge into this book saving nothing My name is Manuel Rise and I am a professional blogger since 2014 Professional blogger means I can live my life blogging I have a blog more than one in truth through which I sell a service Several years have passed since I started writing articles and the world of blogs has changed a lot Honestly it changes every year So to keep up with the times every year I attend SEO courses by Google copywriting and basically every kind of course related to the world of blogs Unfortunately there is no great course on the internet that explains how to build a blog and earn money by selling a product or service That s why alongside my business I decided to write this book Everything you will find in this book is the result of my experience and that s what allowed me to leave my job and be able to live only with my blogs It s not a simple journey making money with a blog is not a quick process and presents many pitfalls Making sure that our blog reaches the first pages of Google results is a matter that takes much time and much work And even if it is so fashionable earns with your passions it s unfortunately not a real matter You cannot think to earn money only by writing you always need to sell something link a product like a service like an affiliation etc In this book I will try to be as clear as possible and show you how to set everything up properly in your blog and start to make a lot of money

WHAT YOU WILL FIND IN THIS BOOK The best ways to make money through your blog which are not Write your passions and get ton of money Evergreen blog ideas A serious affiliate marketing opportunity How to self financing How to start a blog step by step The importance of the logo colors and design of your blog which parts are important and what you have to write in each of them How to define the right target of your readers and understand how to write to attract them to your posts How to always have content fresh to write one of these techniques is crazy and no one has ever told you Advance copywriting skills to keep the reader glued to your posts How to increase your blogs reputation How to become an authority in your market How to manage your social media profiles Online marketing principles this course alone costs more than 1 000 Advanced SEO techniques to write posts Google love How to manage Facebook Ads and Google Ads to destroy your competitors forever and much more Don t worry it s a long process but nothing hard You can learn everything even if you never write a single blog post in your life Scroll to the top of the page and select the BUY NOW button
