**Education and Development in Zimbabwe** Edward Shizha,Michael T. Kariwo,2012-01-01 The book represents a contribution to policy formulation and design in an increasingly knowledge economy in Zimbabwe It challenges scholars to think about the role of education its funding and the egalitarian approach to widening access to education The nexus between education democracy and policy change is a complex one The book provides an illuminating account of the constantly evolving notions of national identity language and citizenship from the Zimbabwean experience The book discusses educational successes and challenges by examining the ideological effects of social political and economic considerations on Zimbabwe s colonial and postcolonial education Currently literature on current educational challenges in Zimbabwe is lacking and there is very little published material on these ideological effects on educational development in Zimbabwe This book is likely to be one of the first on the impact of social political and economic meltdown on education The book is targeted at local and international academics and scholars of history of education and comparative education scholars of international education and development undergraduate and graduate students and professors who are interested in educational development in Africa particularly Zimbabwe Notwithstanding the book is a valuable resource to policy makers educational administrators and researchers and the wider community Shizha and Kariwo s book is an important and illuminating addition on the effects of social political and economic trajectories on education and development in Zimbabwe It critically analyses the crucial specifics of the Zimbabwean situation by providing an in depth discourse on education at this historical juncture The book offers new insights that may be useful for an understanding of not only the Zimbabwean case but also education in other African countries Rosemary Gordon Senior Lecturer in Educational Foundations University of Zimbabwe Ranging in temporal scope from the colonial era and its elitist legacy through the golden era of populist universal elementary education to the disarray of contemporary socioeconomic crisis covering elementary through higher education and touching thematically on everything from the pernicious effects of social adjustment programmes through the local deprofessionalization of teaching this text provides a comprehensive wide ranging and yet carefully detailed account of education in Zimbabwe This engagingly written portrayal will prove illuminating not only to readers interested in Zimbabwe s education specifically but more widely to all who are interested in how the sociopolitical shapes education how ideology policy international pressures economic factors and shifts in values collectively forge the historical and contemporary character of a country s education Handel Kashope Wright Professor of

Education University of British Columbia Salvaging Tanzania's Cultural Heritage Bertram Baltasar Mapunda, Paul Msemwa, 2005 Power in Contemporary Zimbabwe Erasmus Masitera, Fortune Sibanda, 2018-04-20 In recent years the Zimbabwe crisis rendered the country and its citizens to be a typical case of failed states the world over Zimbabwean society was and is still confronted with different challenges which include political economic and social problems Attempts to overcome these challenges have thrown light on the power that rests within individuals and or groups to change and even revolutionize their localities communities states and ultimately the world at large Through experience individuals and groups have promoted ideas that have aided in changing mentalities attitudes and behaviors in societies at different levels This book brings together contributors from various academic disciplines to reflect on and theorize the contours of power including the intrinsic and or extrinsic models of power which pertain to individuals communities and or groups in order to transform society Reflections are on various groups such as political movements environmental movements religious groups advocacy groups gender groups to mention but a few as they struggle against marginalization discrimination exploitation and other forms of oppression showing their agency or compliance *Studies in Art Education* ,2003 **Moto** ,1999 **Outpost** ,2006 Essentials in Advanced Level History Paper 1 Saleh Yassin, 2018 **Major Issues in World History** ,2008 History Joe Gauci, 2017 **Unit 3 - History** Haydn Davey, 2019-06-28 Exam board WJEC Level AS A level Subject History First teaching September 2015 First exams Summer 2016 AS Summer 2017 A level Build reinforce and revise the historical knowledge and exam skills required for WJEC AS A level History Matched to the 2016 specification for Wales this study guide contains clear content summaries and annotated sample answers to exam questions Concisely covers the key issues and content in the specification breaking the Unit down into manageable chunks Consolidates understanding with regular knowledge check questions plus useful tips Builds the analytical and evaluative skills that students need to succeed in AS A level History Improves students exam technique providing sample student answers to past paper questions with commentary to explain the number of marks awarded Helps students to learn the content throughout the course study independently and revise for their exams **History** England.
