He has stressed that these activities should be educational – for example, visits to museums, farms, places of historical interest, etc.

You have been asked to make a proposal outlining what sorts of activities might take place and how these could be organized.

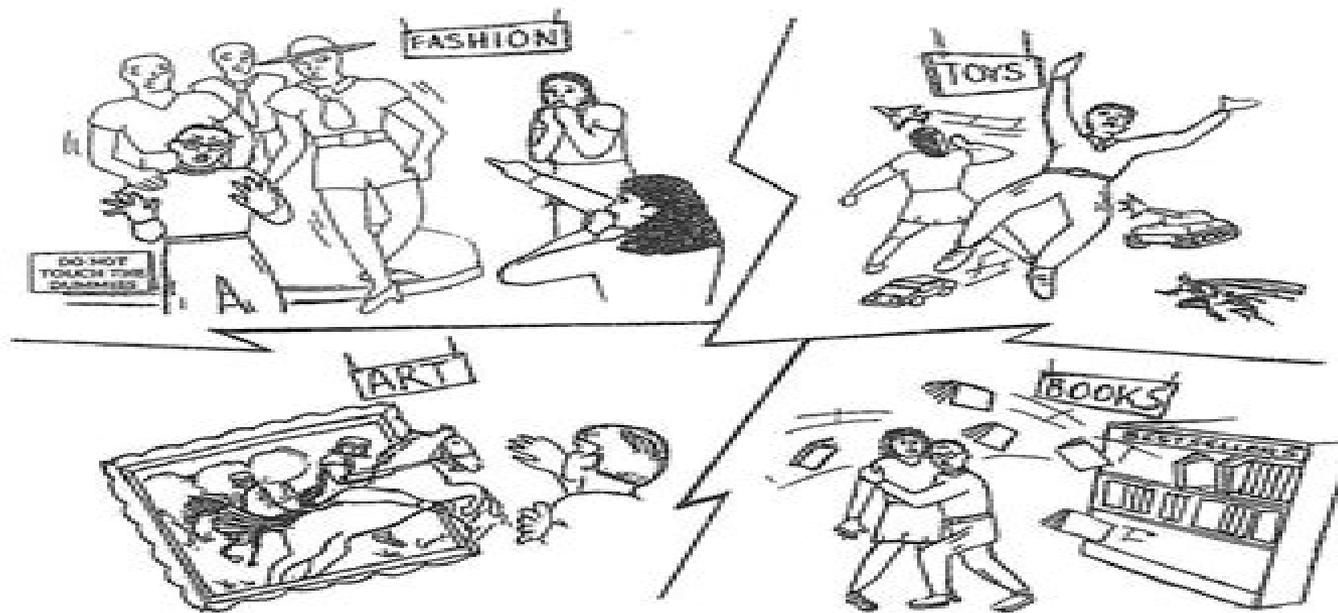

Write your proposal.

2. Your friend Pat is studying overseas but plans to return to Hong Kong during the holidays to look for a summer job. Sign your response Chris. You must NOT write any address.

3. One evening, for a joke, you and your friends decided to hide inside a large department store and stay there overnight. You waited until the doors were locked and came out of your hiding place when there was no one around.
