*African Books in Print*, 1978      *The African Book Publishing Record*, 2006      *The Languages of Africa and the Diaspora*  
Jo Anne Kleifgen, George C. Bond, 2009 This book takes a fresh look at subordinated vernacular languages in the context of African Caribbean and US educational landscapes highlighting the social cost of linguistic exceptionalism for speakers of these languages Chapters describe contravening movements toward various forms of linguistic diversity and offer a comprehensive approach to language awareness in educative settings      **Cross-border Languages** Karsten Legère, 1998  
**Lessons from the Kalahari** Monica Hendricks, 2020-05-05 Lessons from the Kalahari Tracking Teachers Professional Development explores how Northern Cape teachers who were enrolled in a Bachelor of Education in service course responded to three professional development modules specialising in mathematics education English language teaching and Foundation Phase teaching respectively Mainly through fine grained analyses of their classroom practice the studies in this volume demonstrate how these teachers grappled with new content knowledge and pedagogical innovations to improve the quality of teaching in their classrooms The chapters include case studies that range across a variety of pedagogical topics including mathematics and English teachers classroom practices involvement of parents of Foundation Phase learners and learners autonomous mathematics learning The book makes an original empirically based contribution to the understanding of the challenges confronting primary and secondary school teachers in remote rural parts of Northern Cape province South Africa      *Multilingual Universities in South Africa* Liesel Hibbert, Christa van der Walt, 2014-04-03 Focusing on the use of African languages in higher education this book showcases South African higher education practitioners attempts to promote a multilingual ethos in their classes It is a first time overview of multilingual teaching and learning strategies that have been tried and tested in a number of higher education institutions in South Africa Despite language in education policies that extol the virtues of multilingualism practice remains oriented towards English only learning and teaching In the multilingual contexts of local campuses this book shows how students and lecturers attempt to understand their multiple identities and use the available languages to create multilingual learning environments      **Democracy X** Andries Oliphant, Peter Delius, Lalou Meltzer, 2021-11-15 This book is a catalogue and a reader It is the companion to the exhibition Democracy X held in Cape Town 2004 It also explores a range of historical cultural and political matters around the 10th anniversary of the new democratic South Africa Richly illustrated this book includes essays of eminent writers about topics such as the Boer War the Iron Age ethnic politics nationalism film and popular media      *South African national bibliography*, 1998 Classified list with author and title index      *Namibian Books in Print*, 2004      *Public Health Communication Challenges to Minority and Indigenous Communities* Aiseng, Kealeboga, Fadipe, Israel A., 2024-04-30 Language has emerged as both a powerful bridge and a formidable barrier in the realm of public health communication The ongoing COVID 19 pandemic has highlighted a significant challenge faced by minority and indigenous communities particularly in regions of Sub Saharan

Africa It s a challenge deeply rooted in the historical use of colonial languages English French and Spanish to disseminate critical health information For many this has translated into a linguistic exclusion depriving them of access to essential resources and a voice in matters of national interest This issue transcends mere communication it touches upon the fundamental rights of individuals to participate in their own healthcare decisions and influences their sense of belonging and citizenship Public Health Communication Challenges to Minority and Indigenous Communities proposes a solution with a transformative potential This groundbreaking edited volume invites scholars from diverse fields to contribute their research shedding light on the linguistic dimensions of public health communication during the COVID 19 era By investigating the impact of language on various aspects of society from medical information to education this book seeks to synthesize the wealth of sociolinguistic research into an accessible framework It s an invitation to explore the role of language in shaping our perceptions of citizenship belonging and empowerment
